## Pensaukee Harbor, WI

### Harbor Features

- Located on the western shore of Green Bay, WI about 20 miles north of the Port of Green Bay.
- Authorization: River & Harbor Act of 26 Aug 1937.
- Shallow draft recreational harbor.
- Project depth is 8 feet.
- Approximately 4,300 feet of channel stretching from the mouth of the Pensaukee River into Lake Michigan.
- Major stakeholders include local fishermen.

### Project Needs

- This project requires infrequent maintenance dredging; the harbor was last dredged in 1993.

### Consequences of Not Maintaining the Project

- Loss of jobs locally.
- Loss of recreational and charter fishing in the area.

### Transportation Importance

- This project serves primarily charter fishing and recreational navigation interests.
- The local community has established a significant infrastructure around the harbor facilities that generates income from harbor users and visitors to the area.
