

International Joint Commission's
**International
Lake Superior
Board of Control**

***You are invited to our next
Teleconference with the Public!***

WHAT The International Lake Superior Board of Control (Board) invites you to participate in a teleconference with the public on **Wednesday afternoon August 21, 2013**. The purpose is to provide information on the operations of the Board, current and forecasted water levels, and to receive public input about local concerns related to water levels and flows of Lakes Superior, Michigan and Huron.

WHERE You may participate by telephone by **calling** toll-free **1-877-413-4781** between **2:45-2:55 p.m. EDT**. Please enter the Participant PIN Code **736 879 4** followed by the # key on your phone. You will be asked to please provide your name.

You have two options for viewing the presentation materials. First, download the materials prior to the meeting from the Board's Web site at: **http://ijc.org/en_/ilsbc** and **click** on the **link** under '**Activities**'. The second option is to view the slides via a webinar. Details on joining the webinar are also found on the Board web site.

Any updates will be posted on August 20 on the site.

The Board presentation will begin at 3:00 p.m. EDT. Comments and questions will then be taken from callers. The session will last until 5:00 p.m., if needed to hear from all participants.

If you have specific questions you would like addressed, contact one of the Board secretaries below and provide him with the pertinent information. Those who RSVP will be notified in advance of any updates or changes.
