of Engineers** ®  
Detroit District

In spring 2016 the U.S. Army Corps of Engineers, Detroit District ran a social media based photo contest for the public.

Participants from all over the country submitted photos and people from all over the world voted. Pictures receiving the most votes won. We are pleased to present this downloadable calendar featuring the top 12 images.

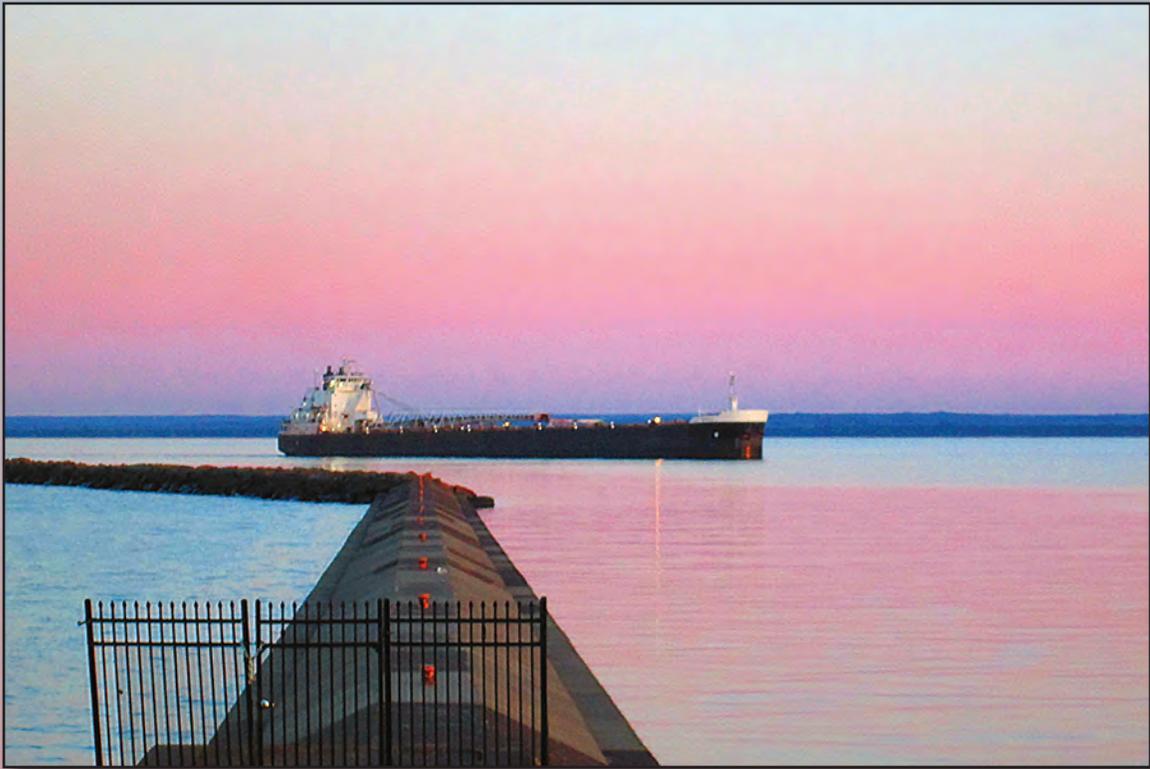

Follow us on Facebook for announcements and details for next year's photo contest in the spring 2017. [www.lre.usace.army.mil](http://www.lre.usace.army.mil)
