Pensaukee Harbor, WI

Harbor Features

- Located on the western shore of Green Bay, WI about 20 miles north of the Port of Green Bay.
- Authorization: River & Harbor Act of 26 Aug 1937
- Shallow draft recreational harbor
- Authorized project depth is 8 feet
- Nearly one mile of federal navigation channel stretching from the mouth of the Pensaukee River into Lake Michigan.
- Major stakeholders include local fishermen

Project Requirements

- This project requires infrequent maintenance dredging; the harbor was last dredged in 1993.
- Maintenance dredging is currently required in this harbor.

Consequences of Not Maintaining the Project

- Loss of jobs locally
- Loss of recreational and charter fishing in the area

Transportation Importance

- This project serves primarily charter fishing and recreational navigation interests.
- The local community has established a significant infrastructure around the harbor facilities that generates income from harbor users and visitors to the area.
