

# LAKE MICHIGAN

PROPOSED RESIDENCE IN  
HIGH-RISK EROSION AREA

APPLICANT:  
WATERWAY:  
CITY:  
TOWNSHIP:  
COUNTY:  
NUMBER OF SHEETS: OF  
DATE:

Complete **Section 20** and **Sections 10A, 10B, 10C, and 10D** if applicable to your project.

Provide **plan view** and **cross-section** site-specific drawings adequate for detailed review, include:

- Overall site plan showing existing lakes, streams, wetlands, *floodplains*, and other water features.
- Name of waterbodies, location of water well, and property boundaries.
- Dimensions for all existing and proposed buildings, septic systems, and driveways.
- Applicable required *setback* dimensions (minimum distance (ft) from *erosion hazard line* to existing or proposed buildings or construction activities).
- Location and dimensions of proposed grading.
- Reference Sample Drawing 9 for required information if your proposed activities will impact a wetland.
- Soil erosion and sedimentation control measures*.

Photographs are optional, but may assist staff in processing your application more quickly.
