

PROJECT FACT SHEET
19 Feb 2004

PROJECT: Detroit River, Trenton, MI

DESCRIPTION: The project is located along the northeast shore of the City of Trenton, Michigan, in the lower end of the Detroit River, in Wayne County, in southeastern Michigan. The sponsor has identified the desire to study of a 44-acre site for the purpose of aquatic ecosystem restoration and habitat protection as part of the new Detroit River International Wildlife Refuge. Specifically, the sponsor has requested that the Federal focus be a study of soft engineering of the Detroit River shoreline at this site for habitat restoration and conservation in order to protect the ecological buffer for adjacent marshlands and coastal wetlands.

CONGRESSIONAL INTEREST: Conyers (D) MI-14

LOCATION MAP & PICTURE:

NON-FEDERAL PROJECT SPONSOR: The City of Trenton. POC is Larry Fitch, Director, Division of Parks, (734) 261-1990.

PROJECT AUTHORITY: Section 206 of the Water Resources Development Act of 1996

FUNDING:

	<u>Total</u>	<u>Federal</u>	<u>Non-Federal</u>
Current Working Estimate	\$ TBD	\$ TBD	\$ TBD
Funds Expended prior to FY04	\$ 5,225	\$ 5,225	\$ 0
Funds allocated in FY04	\$ 4,000	\$ 4,000	\$ 0
FY05 Budget	\$ 0	\$ 0	\$ 0
Funds that could be used in FY05	\$ TBD	\$ TBD	\$ TBD
Funds required to complete (> FY05)	\$ TBD	\$ TBD	\$ TBD

STAGE: PRP (Preliminary Restoration Plan)

STATUS: The PRP has been contracted and the draft received from the contractor on Feb. 3, 2004 for review. There are no Section 206 funds available for FY04. Upon completion of the PRP, future work will be suspended until FY05 due to a lack of Section 206 funds. FY05 funds would be used to initiate Feasibility if Federal interest is determined.
