**PROJECT INFORMATION SHEET**  
**February 2011**

**PROJECT:** Macomb County Drain Mapping, Macomb County, Michigan - PAS (I)

**DESCRIPTION:** Macomb County is located in southeast Lower Peninsular of Michigan. This project is a multi-year endeavor to map all County Drains, both below and above ground and develop these layers in a Geographic Information System (GIS). This GIS will enable the County staff to better track and plan drain projects in the county. This study is being conducted under the Planning Assistance to States Program.

**CONGRESSIONAL INTEREST:** Miller (MI-10); Senator Levin (MI), Senator Stabenow (MI)

**LOCATION MAP & PICTURE:**

**NON-FEDERAL PROJECT SPONSOR:** Macomb County

**PROJECT AUTHORITY:** Section 22 of the Water Resources Development Act (WRDA) of 1974, as amended - Planning Assistance to States (PAS)

**STAGE:** N/A

**STATUS:** This project is in its fourth and final phase and will complete the County's needs. Using GIS, previous phases mapped the southern portions of Macomb County drains and started some northern drains. The project continues with County staff working with the Detroit District to finalize mapping, GIS development and Quality Assurance. This project received \$210K to complete this endeavor in FY2010. The project's expected completion is December 30, 2012.
