APPLETON, WISCONSIN 54911

September 11, 2020

SUBJECT: Fall 2020 Lake Winnebago Regulation Meeting

To Our Lake Winnebago Partners:

You are invited to attend the interagency coordination meeting concerning the regulation of the outflows from Lake Winnebago into the Lower Fox River. The meeting will be held virtually this year based upon Covid-19 restrictions. We are providing this meeting both in WebEx and by dial-in phone call options. We will hold the virtual meeting on Tuesday, October 6, 2020 at 6:00 PM (C.D.T). Login information is provided in the attachment.

This is an interagency meeting that will be open to the public. It is being conducted to exchange information between the Corps of Engineers and representatives of other groups that have expressed an interest in the water resources management of the Lake Winnebago Basin.

The meeting agenda is as follows:

- a. Regulation Actions, October 2019 - September 2020
- b. Regulation Strategy, October 2020 - September 2021
- c. Other Items of Concern

We look forward to your participation. If you have any questions, please contact Mr. Chadwick Shaw at (920) 380-7106 or [chadwick.d.shaw@usace.army.mil](mailto:chadwick.d.shaw@usace.army.mil).

Sincerely,

A handwritten signature in black ink, appearing to read "Robert L. Stanick".

Robert L Stanick, P.E.  
Operations Manager

Enclosure

Below is the WebEx and call-in information:

Participant Access Information

---

Toll-Free: 844-721-7241

Caller Paid: 409-207-6955

Access Code: 9 125 421

Web Conference URL: <https://www.webmeeting.att.com>

Meeting Number: 844-721-7241

Access Code: 9 125 421

\*When you access the entry link above, you will be provided a choice - to install the WebEx plug-in for your preferred browser or to join the web conference using a temporary path. Either option is acceptable. You will also be prompted during login for audio connection options.
